## Get Your Car Washed For FREE!

Yes, you read it right! A FREE car wash is happening on **Good Friday** after the service, around 11.30am until 1.00pm, in **Somerfield Car Park**.

You don't get an opportunity like this very often, so let us make your car shiny and sparkling for **FREE!**

Fellside are proud to be part of the Hope 08 national initiative, especially when a major event is located just down the road!

just 10 North East England

Beginning in April, there will be a series of 10 weekly meetings called 'Just 10' in a massive tent set up in Watergate Park.

Celebrated evangelist J. John will be looking at the 10 commandments, one each week, and bringing them into the modern world. People will be travelling quite a distance to hear him.

## Prayer Requests

Fellside believes in the power of prayer. If you would like us to pray for anything important to you, please either email requests to [info@fellside.co.uk](mailto:info@fellside.co.uk) or phone 496 0072. There is also a letter box at the church where you can post requests. We respect your privacy and confidentiality.

Feel free to remain anonymous if you wish.

Don't let the word 'evangelist' put you off, 'entertainer' is more like it, and he's not to be missed! And don't worry if you can only get to one - it'll be worth it!

**Every Tuesday from April 22nd @ 7.30pm  
for 10 weeks - Watergate Park, Lobley Hill**

## FREE Car Wash!

But why are we doing it?

And why on Good Friday?

Reverend Ian Bell explains: 'Good Friday is a special day for Christians – the day we remember and acknowledge Jesus' sacrifice for us, and traditionally Christians have not only marked that day with services but also with walks and other acts of witness to their neighbours. Our act of witness this year takes the form of an act of kindness in offering a free car wash.'

All over the country as part of the Hope 08 campaign, churches are mobilising to give their time, effort and skills to their communities. So watch out ... you never know what's coming next!

Meanwhile, get your car shiny and sparkling!

**Somersfield Car Park, Oakfield Road**

## Worship Space

For a while now, some members of Fellside have felt the need for an opportunity to explore the whole concept of worship without time and format constraints. So, beginning on Saturday April 12th at 7.30pm, there will be a monthly event called 'Worship Space' which is exactly that - space to worship. Nothing will be structured, apart from the person speaking, and even then subject matter will be left to them. Scary but exciting!
