Prayer Meetings at Fellside

Fellside Church will hold a prayer meeting every last Wednesday in the month. It is so important that we bring our plans before God. This will be a time to reflect in prayer, not only for our church, but for our circuit and for ourselves. It will be held in the back room: please think about making prayer a priority. Thank you from your leadership team.

November is when we look forward towards Christmas but also aware of silence of nature as the days draw in close with darkness closing in. As we watch the changing season we could be forgiven for letting ourselves be conned by the encroaching darkness. But this season will move us to celebrating Christmas and the joy that brings spiritually. Here is a prayer that you might like to consider as we move into November.

For a Bitterly Cold Morning

> O Lord, you who make the snow and frost, we thank you for this cold day- for the crisp air that stings the ski, the biting winds that blow from the north, and the scent of snow that lingers in the nose- we ask that it might keep us humble in the face of your mothering nature, so that we might experience afresh the goodness of being creatures of the earth, both finite and vulnerable. We pray this in the name of the One who keeps the treasures of the snow. Amen

Events

COP 31 Climate Change Conference November 9-20 2026

In November the United Nations Climate Change Conference will be taking place in Antalaya in Turkiye. This conference will be looking to reach further agreement to limit climate change.

UN Climate Change Conferences (or COPs) take place every year, and are the world's only multilateral decision-making forum on climate change that brings together almost every country.

To put it simply, the COP is where the world comes together to agree on the actions to address the climate crisis, such as limiting the global temperature rise to 1.5 degrees Celsius, helping vulnerable communities adapt to the effects of climate change, and achieving net-zero emissions by 2050.

COP31 will bring together world leaders and negotiators from the member states (or Parties) of the UN Framework Convention on Climate Change (UNFCCC) to further global progress, with business leaders, young people, climate scientists, Indigenous Peoples, and civil society sharing insights and best practices to strengthen global, collective and inclusive climate action.

Officially, COP31 stands for the 31st meeting of the Conference of the Parties (COP) to the UN Framework Convention on Climate Change (UNFCCC), a landmark international treaty agreed in 1992, and parent treaty to the 2015 Paris Agreement.

Pray that the conference will help nations to overcome their national differences and seek a fair resolution that protects the planet.

New Chairs

We are having a working party, probably near the end of November to assemble the 80 new chairs when they arrive. If you would like to help, please could you give Amy your name and contact details so she can let you know when the event will be. Please look at the flyer for more details.

Advent Christmas Nativity.

We are looking for 24 houses to display something to do with the nativity in your window or garden. Please read the poster outlining what is needed and let Amy know so you can book a date. Please see posters.

Prayer Chain

The Prayer Chain at Fellside continues with four members. We exist to provide prayer support for anyone who needs us. All conversations are held confidentially which can be useful when some people prefer to share with a smaller group.
If our service is needed, please get in touch with Joy. We are always happy to have new people join our team of prayers. There are no meetings involved, we pray in our own way and in our own time.

Items for Refugees

Ian Ramsay has made several deliveries to Whitehall Road and has built up a good relationship with the people there. They are looking for: clothes, children's toys, house hold and small electrical items, plates, cutlery and any donations of food. If you are able to donate any of the above items they can be brought to the church or Ian can pick up. Items are dropped off at Whitehall Road every 2 to 3 weeks. You can contact Ian on 07714241959
